to feel safe, secure and happy. Moreover, as the Chief Justice of India said, expeditious adjudication of disputes is also the hallmark of a healthy democracy. The Chief

Rights, justice & health of democracy

R ecognition and protection of the people's rights and dignits, supplemented by speedy justice are highly essential for the good health of a democracy. This is what Chief Justice of India N V Ramana said on Saturday while laying the Goundation stone of the new Rs 310-crore Jamma & Rashmit High Court building in Srinagar. It is a fact that democracy is not just about which party gets how

neatiny manner, it is imperative that the people have a teel-ing that their basic rights and dignity are protected and duly recognized. Here again, people do not mean just the majority people; instead, in a healthy democracy, even the last member of the smallest minority group should be able

to feel safe, secure and happy. Moreover, as the Chief Justice of India said, expeditious adjudication of disputes is also the hallmark of a healthy democracy. The Chief

An MP-MLA couple is arrested by the Maharashtra Police and charged with sedition for threatening to chant the Hanuman Chalisa outside Chief Minister Uddhav Thackeray's residence! Two, Gujarat MLA Jignesh Mevani is arrested in Gujarat and dragged all the way to Barpeta in Assam by the Assam Police! More funny is that Assam Chie Minister Hemanta Biswa Sarma claims he didn't know what his police were up to! And when Mevani returns to Gujarat, he finds he's been sentenced to three months in jail in some old rickety case. This even as Delhi BJP jail in some old rickety case. And Haryana, as we all know, is BJP-ruled four states and their chief ministers though none of the CMs was ready to admit involvement. Kejriwal laughed, "Who Bagga?" Not to be left behind, the Rajasthan Police came calling to the Noida studios of a national TV news channel with a warrant for the arrest of anchor Amar Chopra under Section 153 of the IPC.
